JOB AND TASK ANALYSIS

It is a **legal requirement** for managers to carry out a **risk assessment**. If the risk assessment identifies significant health risks due to exposure to some hazards (e.g. vibration, noise, working at heights), health surveillance is required.

Applicant section

Health Statement

Please select one of the following statements that best describes your current health:

A: I do not have a health condition, allergies or disability that might impair my ability to undertake, effectively the duties of the position I have been offered.	
B: I do have a health condition, allergies or disability that might affect my work and may require special adjustments to my work or my place of work.	

If **A** selected please move to section 2

If **B** selected please move to section 1

Section 1

Please tell us about your health conditions/disability/allergies:
