

NEURODIVERSITY PRACTITIONERS

Neuroinclusive Practice Network Meeting Autumn Term 2026

Join us for the opportunity to reflect on your setting's neuroinclusive practice, share best practice and problem-solve how to overcome barriers to implementing strategies which would further support neurodivergent pupils in your school.

In our network meetings, we refer to the Neuroinclusive Education Network (NEN) Standards and Competency Frameworks, exploring how these can enhance practice and help to build on learning from the Good Autism Practice (GAP) training.

Who is this training for?

This event is for school representatives working in mainstream/specialist primary and secondary schools who have received GAP training since May 2025.

*Please note, for the face-to-face event, we ask for a maximum of **2 delegates per school**.*

Face-to-Face

25.11.26
1pm - 3pm

Venue:

Bridgnorth Room (218)
Guildhall, Frankwell Quay
Shrewsbury
SY3 8HB

[Booking Link \(F2F\)](#)

Online

25.11.26
3.45 - 5pm

Via Teams

[Booking Link \(online\)](#)

Please note, the online session is a repeated, shorter version of the F2F event.

This event includes:

- Bitesize, practical CPD
- Local and national updates relevant to neurodiversity
- Opportunities to seek advice from the NDPs and 'magpie' good ideas from other schools
- Signposting to resources and support to further embed neuroinclusive practice in your school, including the use of NEN frameworks

CPD focus on:
**Empowering
Pupil Voice**

This event is free for all schools who have received GAP training in 2025 and 2026.

To secure your place, click on the booking link above for the event you wish to attend.

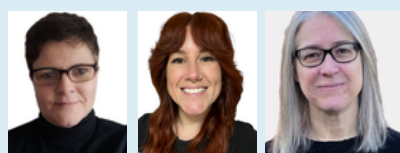

Upcoming Themes

Spring (2) 2027

Working with Parents and Carers

Summer (2) 2027

Raising the Profile of Neurodiversity

This training will be facilitated by the Neurodiversity Practitioners.
